Teddy Liddell Thanks Supporters & Volunteers for Primary Election Victory

West Point Graduate. Former U.S. Army Captain. Attorney.

(Laurel Springs, Camden County, NJ – June 6, 2024) – Teddy Liddell, candidate for Congress in New Jersey’s 1st Congressional District, extends heartfelt thanks to all supporters and volunteers for their incredible efforts in securing a victory in the Primary Election. The campaign has been bolstered by an outstanding team of volunteers, whose dedication reflects the new energy and leadership sought by constituents.

“Our volunteers dedicated countless hours to texting and calling voters, filling door hangers with campaign literature, canvassing neighborhoods, and placing yard signs,” said Teddy Liddell. “Their tireless efforts were instrumental in getting our message out and were truly the difference-makers in this Primary Election.”

New Jersey’s 1st Congressional District covers all 36 municipalities in Camden County, the municipalities of Maple Shade Township and Palmyra in Burlington County, and the municipalities of Deptford Township, East Greenwich Township, Glassboro, Mantua, Monroe Township, National Park, Paulsboro, Pitman, Washington Township, Wenonah, West Deptford, Westville, Woodbury Heights, and Woodbury in Gloucester County.

Democrat Incumbent Donald Norcross is currently the representative for this district and seeking re-election. Norcross has served 5 consecutive terms, for ten years since November 12, 2014. The United States is divided into 435 Congressional Districts, each with a population of about 710,000 people. Each district elects a congressman or congresswoman for a two-year term.

Liddell is a West Point graduate, former U.S. Army Captain, and attorney. With platform initiatives focused on economic stability, minimizing government overreach, and empowering law, order, and justice, Liddell also firmly believes in securing the Southern border, and providing for our national defense - together, securing liberty and freedom.

Looking ahead to the general election, Teddy Liddell expressed confidence in the team’s ability to lead to victory. “As a West Point graduate, former U.S. Army Captain, and attorney, I understand the importance of selfless service – an essential quality that is desperately needed in Washington, D.C. today. I am committed to winning this election to become a true voice for the people within our communities, district, and nation.”

Teddy Liddell emphasized the ongoing need for support and dedication as the campaign moves forward. “Thank you, everyone, for your continued dedication and support on this exciting journey. I look forward to seeing you on the campaign trail!”
